PHILLIP ISLAND CAMPS

Our Camp Program

Phillip Island Camps focuses on developing a child's love for the outdoors through challenging and fun activities. Phillip Island offers a range of adventurous and fascinating activities that explore the flora and fauna and recreational fun held here on this magic Island just 1.5 hours from Melbourne CBD.

We offer surfing, ocean and beach activities, watching the famous Fairy Penguins come to nest, exploring Antarctic Oceans, world class National Parks, guided tours, bushwalking, rock climbing, rockpool explorations, bushtucker, Island trivia nights and so much more to do and see! Your next camp is an important place for students to develop life skills, relationships (both with their peers and teachers), independence and resilience.

Our award-winning accommodation facilities and school camp programs are catered towards cultural and indigenous awareness, environmental consciousness and sustainability. Our school camp program outcomes can be mapped to the Victorian curriculum to help schools meet their curriculum needs.

We predominantly host;

- Primary School Camps
- Secondary School Camps
- Special Groups

and are the perfect location for;

- NDIS camps
- Music Camps
- Sports Team Camps
- Advance Programs
- Pastoral Retreats
- International / Specialised Study Groups

We have first-class camp accommodation with sustainable and clean facilities, providing rooms with private ensuites for extra comfort for teachers and small group rooms for students. Including two levels of private rooms with state of art kitchens, living break out areas and lounges. Everyone who stays with us raves about our facilities. We also have a private function rooftop area and conference room. It's more like a hotel than a school camp!

Testimonial

"We had an absolutely fabulous time at Phillip Island Camps with our Geography students. Many of the students who attended had never been to Phillip Island let alone experienced the Penguin Parade or visited the Koala Conservation Centre. The students are still talking about their positive experience at the Phillip Island Camps and have said it was the best camp that they had experienced during their school years.

On top of that the data the students collected and the skills that they developed for one of their VCE Geography assessments has followed them into Year 12 and I can see in class that the experience has also enriched their education.

Kind regards,

Hoppers Crossing Secondary College"

For those wanting a tailored experience the most popular program is the **Accommodation Only / DIY** package and our **Island Adventure** programs. Or seeking something more? Try out the **Mega Island Experience**, the **High Performance** or **Health & Wellness** programs.

PROGRAM PACKAGES	Year 3 - 4	Year 5 - 6	Year 7- 8	Year 9- 10	Year 11 - 12	Special Interest, Church & Corporate Groups
