

YEARS 3 - 6

We have tailored the below programs to increase participation and experience new things. The students will work in groups to complete a number of challenges that required teamwork, decision-making, problem-solving, and movement skills to be successful.

ISLAND ADVENTURE DISCOVERY

These activities that will encourage students to discover themselves, their understanding of others and the environment in which they interact. We blend traditional environmental activities with an introduction to age - appropriate adventure activities.

ACTIVITIES CAN INCLUDE:

- Beach Experience / Surfing
- Penguin Parade
- Koala Conservation Centre
- Indoor Rock Climbing
- Pelican Feeding
- Ten Pin Bowling
- Chocolate Factory & more

ISLAND RANGERS

ENVIRONMENTAL & CULTURAL

Connects students to a sense of wonder and care for the natural environment as well as giving them an insight into the integrity of the natural world, indigenous and cultural experiences and the role it plays in our well-being.

ACTIVITIES CAN INCLUDE:

- Exploration Trail Nature Walks
- Bug Bits & Little Big Things
- Cultural & Bush Pantry
- Penguin Parade
- Sustainability Education
- Environment Detectives & more
